Horse Donation/Lease/Sale Application

Thank you for considering Three Gaits for your horse. We appreciate the generosity of the horse community and our program couldn't survive without these incredible horse partners.

Please complete this form and send to us by email at 3gaits@3gaits.org. This information is an introduction to your horse, and helps us know if a new home at Three Gaits is a good fit. We will call you when we receive the form and have reviewed it (usually between 1-5 days).

During the phone call, we'll ask follow-up questions to assess if Three Gaits would be the best fit for your horse. If we both decide to proceed, we will schedule a time to meet you and your horse.
